E-Mail: plastics.safety@basf.com

Product Information: *Brominated Compounds*

Dear Sir or Madam;

Please be advised that based on the information available to us from our raw material suppliers, the current products offered in the product lines listed below do not contain as raw materials any of the below referenced materials as referenced in the subject EU Directive 2003/11/EC.

To the best of our knowledge, none of these materials are generated during production.

Polybrominated diphenyl ethers (PBDEs)
Polybrominated biphenyls (PBBs)
Pentabromodiphenyl ethers
Octabromodiphenyl ethers

Therefore, the requirements of EU Directive 2003/11/EC are fulfilled.
